

DAY 1 - 09th December 2022

Comprehensive Interventional Pain Management - XVI

Venue -

09-11th Decemeber 2022

DATE and TIME	TOPIC
0800-0830	Registration
0830-0848	Pain management - CONCEPT and Application
0850-0908	Imaging in Pain management - MRI / CT
0910-0923	Radiation safety
0925-0957	Lumbar and Cervical spine examination
1000-1027	Fluoroscopic Anatomy of Lumbar and Cervical Spine
1030-1043	Back pain: Pathophysiology and Diagnosis
1045-1055 TEA BREAK	
1055-1103	Lumbar Facet block/MBB and Radiofrequency ablation
1105-1113	Lumbar Transforaminal/Intradiscal procedure
1115-1123	Vertebroplasty
1125-1133	Upper cervical Cervical Facet joints block/Cervical MBB, RFA
1135-1143	Cervical EPIDURAL injection
1145-1245	PANEL Discussion on Lumbar spine pain/Cervical spine pain: Case scenarios

CIPM - XVI 2022, INDORE

Date

9, 10 and 11 December 2022
Sri Aurobindo Institute of
Medical Sciences, Indore

www.academyforspine.org

1245-1330 LUNCH BREAK	
1330-1338	SI Joint Intra-articular block/RFA
1340-1348	Caudal epidural
1350-1358	Trigger point injection: Diagnosis and injection technique
1400-1408	Sphenopalatine block
1410-1418	Gasserian ganglion RFA: Technique
1420-1428	T2-3 Block and RFA
1430-1438	Stellate Ganglion Diagnostic and Neurolytic block
1440-1448	Lumbar sympathetic Diagnostic and Neurolytic block
1450-1458	Splanchnic Nerve/Celiac plexus Diagnostic and Neurolytic block
1500-1508	Superior hypogastric block
1510-1518	Ganglion Impar block and Neurolysis
1520-1548	CASE scenario: PANEL discussion on Cancer pain
1550-1600 TEA BREAK	
1600-1608	Basics of Neuropathic Pain: Diagnosis
1610-1618	Diagnosis of CRPS
1620-1628	Shoulder 3 in 1 block and RFA
1630-1638	Role of PRP in Pain management
1640-1648	Technique of Genicular nerve block and Cooled RFA
1650-1658	Intrathecal pump: Principle
1700-1708	Spinal cord stimulator: Concept
1710-1723	Botulinum use: Principles of using it

CIPM - XVI 2022, INDORE

Date

9, 10 and 11 December 2022
Sri Aurobindo Institute of
Medical Sciences, Indore

www.academyforspine.org

Cadaveric workshop on 10th and 11th December 2022

Division of time:

Demonstration by faculty: 10 mins

Hands on practice: 3 mins each delegate

Rules (to be followed strictly):

1. Shift to next table immediately as the next session will start immediately, Time schedule is very tight & your cooperation can make it smooth so that everyone gets hands-on
2. Each table is for maximum 45 minutes
3. Each delegate would be given enough time for hands on, Wait for your turn, do not push or pull needles etc from other delegate
4. Please take care of the lead aprons. They are costly & very delicate (courtesy – Pain clinic of India/MGM Hospital)
5. Do not throw anything on the floors, dustbins are provided in each room. Taking care of surrounding is your responsibility.
6. Only one disposable gown & 2 pair of gloves will be provided for each day, Please keep them with you for the full day.
7. Do not over expose to radiation, take care of fluoro (C-arm) machines
8. There is no TEA BREAK, whenever you are free in between two tables do enjoy the TEA, Lunch is from 1245 to 1345

10th Dec	Morning (0900 to 1245)	Afternoon (1330 to 1715)
Table 1	Lumbar TFESI , Interlaminar	Cervical epidural injection
Table 2	Lumbar Medial Branch Block and RFA	Lumbar Sympathetic Block,
Table 3	Lumbar Intradiscal injection technique	SI joint Injection and RFA
Table 4	Genicular nerve block	Ganglion Impar Block
11th Dec	Morning (0900 to 1245)	Afternoon (1330 to 1715)
Table 1	Coeliac Plexus and splanchnic nerve block	Shoulder block
Table 2	Cervical medial branch block and RFA	Caudal epidural and S1 nerve block
Table 3	Stellate ganglion block	Trigeminal Ganglion ablation
Table 4	Superior Hypogastric Plexus block	Vertebroplasty

CIPM - XVI 2022, INDORE

Date

9, 10 and 11 December 2022
Sri Aurobindo Institute of
Medical Sciences, Indore

www.academyforspine.org

Personalised Training

Didactic Lectures (Day 1) & Fluoro
Guided Workshop (Day 2 & 3)

Low Cadaver / Delegate Ratio

Max 10 Delegates Per Cadaver for
Maximum Hands on Practice.

Organising Team

Patron

Dr RPS Gehdoo

Organising Chairman

Dr Kailash Kothari

Scientific Chairman

Dr Jitendra Jain

Organising Secretary

Dr Pravesh Kanthed

Early Registration
Up to - 20th October 22

Indian ₹ 30000

International USD \$750

Student ₹ 25000

For Registration  +91 966 966 6540  info@academyforspine.org

In Association with
**Pain Clinic of
India, Mumbai**

CIPM XVI is designed to provide
state of the art interventional spine
and pain training in techniques,
newer developments, emerging new
challenges and technologies.
